

# Technical Specification

## 30m Heavy Duty Metal 110V Reel

### OTMU30162LV

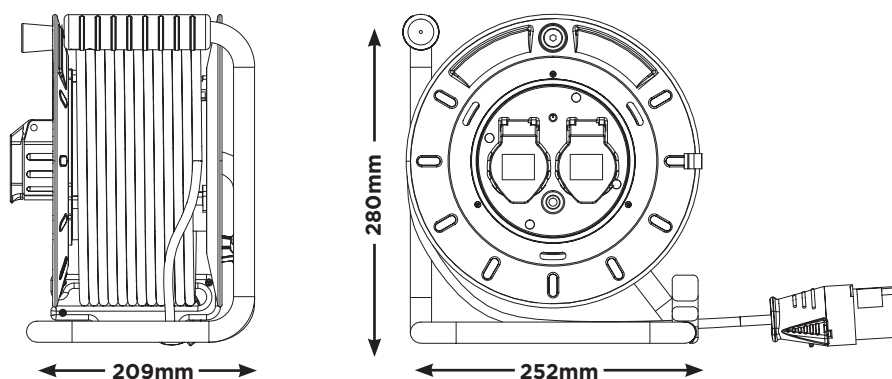

#### Features

- » Heavy duty steel drum
- » IP rated weatherproof and dust-proof socket covers
- » Two-tone, ergonomic carry handle
- » Power LED indicator
- » Built-in cable guide

#### Description

This open cable reel is the professional's choice when it comes to using portable power on site. This heavy-duty open reel with its large metal drum has been designed and engineered for longevity. This rugged cable reel has two 110V 16A sockets and high visibility cable, making it perfect for site applications. The cable reel features a LED indicator, integrated power switch and cable guide for ease of use. A safety thermal cut-out for protection against overloading when fully reeled.
