Easy to clean, hygienic working surface

**NEW**  
Contemporary style square edged profiles available

## Introduction

The Worktops.ie collection is a stunning exclusive range that leads the way in innovation, design and value for money. The worktop is your kitchen surface, it needs to be both beautiful and durable. At Worktops.ie we take great pride in bringing you the finest selection of quality worktops suitable for all requirements.

Our worktops are carefully selected for Ireland's homemakers based on:

- style
- durability
- flexibility
- hygiene
- value for money

We provide finishes in gloss, matt, wood effect and textured worktops.

## Finishing Touch

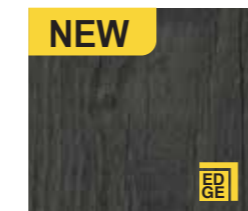

WORKTOPS.IE PROVIDE YOU WITH AN EXCITING RANGE OF WORKTOP LAMINATES

- Worktops are scratch, heat and stain resistant
- Choose from four different edge profiles
- Matching range of extra wide breakfast bar worktops available to maximize your kitchen design options
- All worktops contain a high quality core
- All worktops are fully sealed at the back edge and base for extra protection
- Full range of matching worktop trims
- 28mm and 38mm thick worktops available

When choosing this vital addition to your project or renovation, Worktops.ie provides the best quality solution to suit your lifestyle.

Make a great addition to the heart of your home.
